OFFICE OF THE SECRETARY TO THE MYSORE
STATE LIFE INSURANCE COMMITTEE.
Bangalore 25th November 1899

No. 971 Int File 28

From

The Secretary to the Mysore
State Life Insurance Committee, Bangalore.

To

The Secretary to the Government of His Highness
General and Rev. Department.

Sir,

In submitting herewith this Office Memo No 1408 dated 23rd October 1899 for reference and obliging return when no longer required, I have the honor to state that one Srinivas Rango Kakari holder of policy No 2268 died of Plague in Bangalore on the 26th November 1898. The wife of the deceased applied through her authorised agent to recover the amount of Bonus due on the above policy and on being told that an heirship certificate granted by a Competent Court of Law should be produced, she applied to know, if the said certificate could be

be produced from the Courts in Hyderabad (Deckan) where she is now residing. The Government Advocate on being consulted in the matter, states in his docket No. 72 dated 2nd October 1899, that the said Certificate should be obtained from the District Court within the jurisdiction of which the deceased resided at the time of his death. On the death of an insured before attaining 55 years Rule 23, requires the bonus to be "paid to his legal heirs after proof of accrual of the claim and surrender of the Policy". The members of the Committee are doubtful whether Certificates of heirship granted by Courts outside the province can be accepted and bonus paid on the authority of such certificates, or such certificates should be obtained from the Courts within the Province as required by the Government Advocate.

I have the honor to be
Sir
Your most obedient Servant
[illegible]
Secretary
